Income received from jointly held property – such as businesses, farm operations, dividends, interest, rent and capital gains (losses) – must be allocated to each spouse in proportion to his/her percentage of ownership in the property. (For example, you may own 50% of the business and your spouse may own the other 50%. Accordingly, business income would be split 50 – 50 between the spouses.)

Taxable social security benefits must be allocated between each spouse based on the proportionate share of gross social security benefits received for the tax year times Line 20b of Federal Form 1040 or Line 13b of Federal Form 1040A. State income tax refunds must be allocated based on the percent of earnings of each spouse for the tax year for which the refund was issued. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040, Line 11Y and 11S. The total of Line 18Y and 18S must be equal to Line 31 of the Federal Form 1040, to Line 16 of the Federal Form 1040A or Line 4 of the Federal Form 1040EZ.

Line 9 – Total

Add Lines 1 through 8. Enter the total on Line 9.

Line 10 – State and Local Income Taxes

If your federal adjusted gross income from Federal Form 1040, Line 32 is \$117,950 or less (\$58,975 or less if married filing separate) enter on Form MO-A, Part 1, Line 10 the amount from your Federal Form 1040, Schedule A, Line 5. However, if your federal adjusted gross income from Federal Form 1040, Line 32 is more than

\$117,950 (\$58,975 if married filing separate) complete the worksheet on Form MO-A, below Part 1. (See summary below.)

Worksheet for Part 1, Line 10

Included in the Federal Revenue Reconciliation Act of 1990 was a provision that required individuals with federal adjusted gross income over certain income thresholds to reduce the amount allowable for federal itemized deductions by three percent (3%) of the excess over that threshold (26 USC 68). Certain deductions, such as medical expenses, investment interest and casualty, theft or wagering losses are not subject to this reduction. For 1996, the threshold is income over \$117,950 (\$58,975 if married filing separate).

House Bill 1155, passed during the 86th General Assembly, changed the language in Section 143.141(1) and (2), RSMo to reflect this change in federal law. Previously, taxpayers were required to add-back all state income taxes regardless of any reductions at the federal level. This law changed the language regarding the state income tax add-back to read that Missouri itemized deductions must be reduced by the **proportional** amount representing any income taxes imposed by this state, another state of the United States or a political subdivision thereof or the District of Columbia. This law is effective for all tax years beginning on or after January 1, 1993.

This law does not affect those taxpayers with federal adjusted gross income from Federal Form 1040, Line 32 of \$117,950 or less (\$58,975 or less if married filing separate). If your income is below these amounts, enter on Form MO-A, Part 1, Line 10, the amount from your Federal Form 1040, Schedule A, Line 5. However, if your federal adjusted gross income from Federal Form 1040, Line 32 is more than \$117,950 (\$58,975 if married filing separate), complete the Worksheet on Form MO-A, below Part 1. Enter the amount from Form MO-A, Part 1, Worksheet, Line 8 on Form MO-A, Part 1, Line 12. **Do not complete Lines 10 and 11.** See Regulation 12 CSR 10-2.160 for a complete explanation on calculating the state income tax deduction.

Line 11 – Earnings Taxes

Enter on Line 11 the amount of any Kansas City and St. Louis earnings taxes that are included in Line 10.

Line 12 – Net State Income Taxes

Subtract Line 11 from Line 10 and enter the result on Line 12 or if you completed Form MO-A, Part 1, Worksheet enter the amount from Line 8.

Line 13 – Missouri Itemized Deductions

Subtract Line 12 from Line 9 and enter the result on Line 13, and on Form MO-1040, Line 18. If this amount is less than the FEDERAL STANDARD DEDUCTION (see federal income tax form instructions for amount), then you should enter the STANDARD DEDUCTION amount on Form MO-1040, Line 18, **UNLESS** you were **required** to itemize your deductions on your federal return. If you were **required** to itemize your deductions on your federal return, you must enter the amount from Form MO-A, Part 1, Line 13 on Form MO-1040, Line 18.

PART 2 – MISSOURI MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

Form MO-A, Part 2, computes Missouri modifications to federal adjusted gross income. Modifications on Lines 1 and 2 **INCLUDE** income that is exempt from federal tax, but taxable for state tax purposes. Modifications on Lines 4, 5 and 6 **EXCLUDE** income that is exempt from state tax, but taxable for federal tax purposes. If after reviewing the instructions for Part 2, you have no modifications, enter on Form MO-1040, Lines 13 and 15 the same amount(s) entered on Form MO-1040, Line 11.

Line 1 – Interest on State and Local Obligations

If you received income from an obligation of a state or political subdivision of a state **other than Missouri**, enter the amount of that income, reduced by the related expenses incurred (management fees, trustee fees, interest, etc.) if the expenses are over \$500.

Line 2 – Partnership, Fiduciary, S Corporation, Other

Enter positive adjustments (additions), reported from partnerships, fiduciaries, S corporations or other sources. (See individual medical account information below.) The partnership, fiduciary or S corporation must notify you of the amount of any such adjustment (addition) to which you are entitled. Check the boxes applicable on Line 2 and attach a copy of the notification received.

NON-MEDICAL WITHDRAWAL FROM INDIVIDUAL MEDICAL ACCOUNT (IMA). Any monies you withdraw from your Individual Medical Account (IMA) for non-medical purposes are taxable to Missouri. The interest earned on such monies is also taxable to Missouri. These taxable monies are reported on the statement provided by the administrator of the IMA.

Line 3 – Total Additions

Add Lines 1 and 2. Enter the totals on Form MO-A, Line 3 and on Form MO-1040, Line 12.

Line 4 – Interest on Exempt Federal Obligations

Interest from **direct** obligations of the U.S. Government, such as U.S. savings bonds, U.S. treasury bills, bonds and notes is exempt from state taxation under the laws of the United States. **Attach a detailed list of all Federal Form 1099(s).** Taxpayers who claim an exclusion for interest from **direct** U.S. obligations must identify the specific securities owned, e.g., "U.S. savings bond." A general description such as "interest on U.S. obligation" or "U.S. Government securities" is **not** acceptable. (See 12 CSR 10-2.150 for the taxability of various U.S. Government related obligations.) Failure to identify the security will result in the disallowance of the deduction.

A federally taxed distribution received from a mutual fund investing exclusively in **direct** U.S. Government obligations is exempt. If the mutual fund invests in both exempt (direct) and non-exempt (indirect) federal obligations, the deduction allowed will be the distribution received from the mutual fund attributable to the interest on the **direct** U.S. Government obligations, as determined by the mutual fund. **Attach a copy of the year-end statement** received from the mutual fund showing either the amount of monies received or the percentage of funds received from **direct** U.S. Government obligations, or a summary statement received from the mutual fund which clearly identifies the exempt and non-exempt portions of the U.S. Government obligation interest. The statement does not need to list each obligation separately. **Failure to attach the requested document will result in the disallowance of the deduction.**

In arriving at the amount of related expenses, the taxpayer may use actual expenses or a reasonable estimate. In general, the taxpayer should use the same or similar method to that used to compute related expenses for federal income tax purposes, provided that the method reasonably reflects related expenses for Missouri-exempt income.

If a taxpayer fails to compute reasonable related expenses, the Director of Revenue will make an adjustment based on the best information made available. If sufficient information is not made available or if the taxpayer's records do not provide sufficient information, the Director of Revenue will use the following formula to compute related expenses:

$$\frac{\text{Exempt income}}{\text{Total income}} \times \text{Expense items} = \text{Reduction to exempt income}$$

The principal expense item in this formula is interest expense; however, the Director of Revenue may include other expense items because of their direct relationship to the production of exempt income. The taxpayer may propose an alternative method provided that it properly reflects the amount of related expenses.

Line 5 – State Income Tax Refund

Enter the amount of any state income tax refund included on Form MO-1040, Line 11. If the refund was issued to you and your spouse, it must be allocated between you and your spouse based on the percentage of income earned (Lines 16Y and 16S) during the tax year for which the refund was issued. Federal Form 1040 must be attached.

Line 6 – Partnership, Fiduciary, S Corporation, Railroad Retirement Benefits, Other

Enter negative adjustments (subtractions), reported from partnerships, fiduciaries and S corporations. The partnership, fiduciary and S corporation must notify you of the amount of any such adjustment (subtraction) to which you are entitled. Check the boxes applicable on Line 6 and attach a copy of the notification received. **Failure to attach a copy of the notification furnished to you will result in the disallowance of the modification.**

RAILROAD RETIREMENT BENEFITS ADMINISTERED BY THE RAILROAD RETIREMENT BOARD, such as all Tier I and Tier II benefits and any railroad retirement sick pay, disability and unemployment benefits, included in federal adjusted gross income (Form MO-1040, Line 11), are exempt from state taxation.

Other sources of negative adjustments may be:

- (1) **CONTRIBUTIONS INTO AN INDIVIDUAL MEDICAL ACCOUNT (IMA).** Contributions that were made by your employer into an Individual Medical Account (IMA) and used to pay your health care expenses are exempt from Missouri income tax. The interest income earned on the IMA account is also exempt from Missouri income tax. The IMA contribution is identified in box 14 of your wage and tax statement, Form W-2. Reduce the amount of contributions by the amount of medical and dental expenses deducted on Federal Form 1040, Schedule A, Line 4, but paid for by the IMA and included in Missouri itemized deductions.
- (2) **ADDITIONAL CAPITAL GAIN DEDUCTION DUE TO DIFFERENCE IN BASIS.** If during the taxable year you realized a gain from the sale of property or other capital assets which had a higher tax basis for Missouri tax purposes than for

federal tax purposes, you may exclude the gain or the difference in the basis of the property so disposed, whichever is smaller. If the gain was considered a long term capital gain for federal income tax purposes, the exclusion is limited to the gain or 50% of the difference, whichever is smaller. No difference in basis can be claimed for any property obtained after December 31, 1972. If your basis for Missouri purposes is less than the basis for federal income tax purposes, no adjustment is required.

- (3) **ACCUMULATION DISTRIBUTION.** If during the year 1996 you received a distribution as beneficiary of a trust that was made from accumulated earnings of prior years and you filed Federal Form 4970, the amount may be excluded from Missouri income to the extent that it was reported in your federal adjusted gross income.
- (4) **CAPITAL GAIN EXCLUSION ON SALE OF LOW INCOME HOUSING.** If during 1996, you sold a federally subsidized (HUD) low income housing project to a nonprofit or governmental organization, and at least 40% of the units are occupied by persons or families having incomes of 60% or less of the median income, you may exclude 25% of the capital gain from Missouri tax. However, the buyer of the property must agree to preserve or increase the low income occupancy of the project. To use this exclusion, enter as "other" 25% of the capital gain reported on your Federal Form 1040. Attach a copy of your Federal Form 1040 (Pages 1 and 2), Federal Form 4797, and an explanation.

Do not include income earned in other states on Line 6. Complete Form MO-NRI (Nonresident Income Percentage) or Form MO-CR (Credit for Income Taxes Paid to Other States). See Form MO-1040, Line 32 or Line 33.

Line 7 – Total Subtractions

Add Lines 4, 5 and 6. Enter the total on Form MO-A, Part 2, Line 7 and on Form MO-1040, Line 14.

PART 3 – GOVERNMENT PENSION EXEMPTION

In 1996, all pension income which is taxable on your federal return, is also subject to tax by the state of Missouri. However, recipients of pension payments provided by the United States, this state, any other state or any political subdivision of this or any other state, are eligible to exempt the first \$6,000 of such payments received during 1996.

NOTE: Private pensions are taxable and should not be included on Line 5 of the computation. In order to be eligible for the pension exemption, the recipient's Missouri adjusted gross income must fall within certain income limitations. Form MO-A, Part 3 is designed to assist you in computing the amount of pension exemption you may be entitled to take on Form MO-1040, Line 17. Railroad retirement benefits which are administered by the Railroad Retirement Board must be included on Form MO-A, Part 2, Line 6 as a modification to federal adjusted gross income. **A copy of your federal return (Pages 1 and 2) and your Form 1099-R must accompany your Form MO-1040 when filed; otherwise the exemption will be disallowed.**

Line 1 – Missouri Adjusted Gross Income

Enter the Missouri adjusted gross income from Form MO-1040, Line 15T.

Line 2 – Taxable Social Security

Enter the taxable amount of your 1996 social security benefits from Federal Form 1040A, Line 13b or Federal Form 1040, Line 20b.

Line 3 – Modified Missouri Adjusted Gross Income

Subtract Line 2T from Line 1T to arrive at your modified Missouri adjusted gross income. This amount is only for use in determining whether your income exceeds the maximum income limitation for this worksheet.

Line 4 – Determine Applicable Income Limitation

Check the appropriate filing status box and enter the corresponding amount on Line 4T. If your modified Missouri adjusted gross income on Line 3T is equal to, or exceeds the applicable income limitation on Line 4T, you are **not** eligible for a pension exemption.

Line 5 – Taxable Government Pension

Enter the total amount of taxable government pension received in 1996 from Federal Form 1040A, Line 11b or Federal Form 1040, Line 16b. Do not include any payments from private pensions or social security benefits on this line.

Line 6 – Pension Exemption

If you are filing a combined return, enter on Line 6Y the lesser of \$6,000 or the amount of Line 5Y. Enter on Line 6S the lesser of \$6,000 or the amount of Line 5S. Each recipient is eligible for up to \$6,000 of exemption, but the amount of exemption cannot exceed the amount of payments received in 1996. Enter the total amount of Lines 6Y and 6S on Line 6T. If you are not filing a combined return, enter on Line 6T the lesser of \$6,000 or the amount of Line 5T. Enter on Form MO-1040, Line 17 the amounts from Line 6T. This is your total pension exemption for 1996. Attach copies of Pages 1 and 2 of your federal return and your Form 1099-R.

2. If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
3. If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
4. If you are a "NONRESIDENT" of Missouri, your school district number is **"347"**.
